

architecture and feminisms ecologies pdf

Between architecture and feminisms our specific focus will be upon transversal relations across ecologies, economies and technologies. Specifically, we are concerned with the exploration of ecologies of practice, the drawing out of alternative economies, and experimentation with mixed technologies, from craft to advanced computational technologies.

ARCHITECTURE & FEMINISMS

Set against the background of a "general crisis"™ that is environmental, political and social, this book examines a series of specific intersections between architecture and feminisms, understood in the plural. The collected essays and
