Coders At Work Reflections On The Craft Of Programming [PDF]

As a book, Coders at Work is in some ways not all that great. As a collection of the thoughts and opinions of a wide range of real programmers on what, how, and why they do what they do, it is a

Coders At Work: Reflections On The Craft Of Programming PDF

Coders at work transcribes 16 some odd interviews of both new and old school programming giants culminating with Donald Knuth. For me it was the right book at the right time. After a year of studying algorithms, languages, and hardware, it was good to hear the voices of experience detailing the struggles of their day-to-days.
