In heraldry and vexillology, the double-headed eagle is a charge associated with the concept of Empire. Most modern uses of the symbol are directly or indirectly associated with its use by the Roman/Byzantine Empire, whose use of it represented the Empire's dominion over the Near East and the West. The symbol is much older, and its original meaning is debated among scholars.

Revenue (Income), Expenses, Investment, and Draws Revenues, expenses, investment, and draws are sub categories of owner's equity (capital). Think of owner's equity as a mom named Capital with four children to keep up with (I know she's only got one clinging to her leg but she left Expense, Investment, and Draws at home).
