Indian English refers to dialects of the English language characteristic of the Republic of India. The Constitution of India designates the co-official language of the Government of India as English, along with Hindi. Today many regional varieties of English, or Englishes, exist around the globe and are slowly but steadily gaining recognition.

### **Indian English - Wikipedia**

Business communication is used for a wide variety of activities including, but not limited to: strategic communications planning, media relations, public relations (which can include social media, broadcast and written communications, and more), brand management, reputation management, speech-writing, customer-client relations, and internal/employee communications.
