

essential french grammar dover pdf

The hard copy of Essential French Grammar is very helpful! However - the Kindle version is full of errors and typos and is laid out so that it is very difficult to read. I would definitely recommend the hard copy and would definitely not recommend the Kindle version.

It is not a simplified study, but a selective grammar that points out many time-saving short cuts. Constantly drawing comparisons with English construction, it covers all of the important points in French grammar (verb forms and tenses, parts of speech, negative sentences, possessives, partitive construction, etc.) fully and logically, and with refreshing clarity.
