

fundamentals of financial planning pdf

The mission of the Florida State University Certificate in Financial Planning Program is to offer high quality, interactive and affordable online financial planning courses for those pursuing CFP® certification, as well as those seeking to better educate themselves in financial planning topics.

Certificate in Financial Planning | Florida State

Financial planning is the task of determining how a business will afford to achieve its strategic goals and objectives. Usually, a company creates a Financial Plan immediately after the vision and objectives have been set. The Financial Plan describes each of the activities, resources, equipment and materials that are needed to achieve these objectives, as well as the timeframes involved.
