

globalization prospects and problems pdf

Globalization or globalisation is the process of interaction and integration among people, companies, and governments worldwide. As a complex and multifaceted phenomenon, globalization is considered by some as a form of capitalist expansion which entails the integration of local and national economies into a global, unregulated market economy. ...

Globalization - Wikipedia

Global studies is the interdisciplinary study of political, economic, legal, ecological and cultural interconnectedness. Predominant subjects are politics, economics and law on an international level. Global studies is oriented around the study of globalization as it relates to intercontinental politics, the global economy, international law, market relations, the movement of people and ...

Global studies - Wikipedia

Over the past 20 years or so India, China, and the rest of East Asia, experienced fast economic growth and falls in the poverty rate, Latin America stagnated, the former Soviet Union, Central and Eastern Europe, and sub-Saharan Africa regressed.
