AIM Language Learning – Teach The Way Your Students Learn

Language acquisition is the process by which humans acquire the capacity to perceive and comprehend language, as well as to produce and use words and sentences to communicate. Language acquisition is one of the quintessential human traits, because non-humans do not communicate by using language. Language acquisition usually refers to first-language acquisition, which studies infants ...

Language acquisition - Wikipedia

Second-language acquisition (SLA), second-language learning, or L2 (language 2) acquisition, is the process by which people learn a second language. Second-language acquisition is also the scientific discipline devoted to studying that process. The field of second-language acquisition is a subdiscipline of applied linguistics, but also receives research attention from a variety of other ...

Second-language acquisition - Wikipedia

People often ask: “How long will it take me to become proficient in language X?” This question is impossible to answer because a lot depends on a person’s language learning ability, motivation, learning environment, intensity of instruction, and prior experience in learning foreign languages.
