Special Needs Shelter Locations: Assistance at a special needs shelter is limited to basic medical monitoring and back-up electricity for lighting. The shelter will be inside a school and will likely be crowded and noisy.

### **Pinellas County, Florida - Emergency Management - Special**

In the United States, special needs is a term used in clinical diagnostic and functional development to describe individuals who require assistance for disabilities that may be medical, mental, or psychological. For instance, the Diagnostic and Statistical Manual of Mental Disorders and the International Classification of Diseases 9th edition both give guidelines for clinical diagnosis.

Leadership is both a research area and a practical skill encompassing the ability of an individual or organization to "lead" or guide other individuals, teams, or entire organizations. Specialist literature debates various viewpoints, contrasting Eastern and Western approaches to leadership, and also (within the West) United States versus European approaches.
