Welcome to Psychology at CMU. With nearly 30 award-winning faculty and almost 150 people in total, we are a vibrant community whose research continues our Department's 100 year tradition of studying the deeper mechanisms and processes underlying human behavior and its neural bases. Innovation is in our DNA: our department has been at the center of helping create new scientific initiatives in ...

Department of Psychology - Department of Psychology

Social Learning Theory is a theory of learning and social behavior which proposes that new behaviors can be acquired by observing and imitating others. It states that learning is a cognitive process that takes place in a social context and can occur purely through observation or direct instruction, even in the absence of motor reproduction or direct reinforcement.

Social learning theory - Wikipedia

Learning disability is a classification that includes several areas of functioning in which a person has difficulty learning in a typical manner, usually caused by an unknown factor or factors. Given the "difficulty learning in a typical manner", this does not exclude the ability to learn in a different manner. Therefore, some people can be more accurately described as having a "learning ...
