

learning german through storytelling pdf

Storytelling is a means for sharing and interpreting experiences. Peter L. Berger says human life is narratively rooted, humans construct their lives and shape their world into homes in terms of these groundings and memories. Stories are universal in that they can bridge cultural, linguistic and age-related divides.

There are many ways to learn or teach German, but my favorite approach is using storytelling. I can think of a number of reasons why learning German with stories is so effective, but the best one is this: because it's fun! Learning a language can easily become a chore, so anything that takes your mind off the struggle while keeping you engaged is heaven-sent.
