If we want to start very simple, keeping our definitions to just two words each, negative liberty means "freedom from," while positive liberty means "capacity to." Another way of thinking about the difference "though again, it's a rough one" is to see negative liberty as being about the absence of external limits, while positive liberty is about the absence of internal limits.

of Christian Freedom In an awkward but memorable phrase, the Apostle Paul declares: "It is for freedom that Christ has set us free." The story of Jesus Christ, as it comes to life in his followers, is a story of freedom, to be sure, but a freedom constrained by the Cross and deeply at odds with individualistic notions of liberty.
