What is listening? Listening differs from obeying. A person who receives and understands information or an instruction, and then chooses not to comply with it or to agree to it, has listened to the speaker, even though the result is not what the speaker wanted. Listening is a term in which the listener listens to the one who produced the sound to be listened.

Language education refers to the process and practice of acquiring a second or foreign language. It is primarily a branch of applied linguistics, however can be considered an interdisciplinary field. There are four main learning categories for language education: communicative competencies, proficiencies, cross-cultural experiences, and multiple literacies.
