literacy for life a pdf

Literacy for Life provides classes led by professional instructors with volunteer tutor support at area businesses, schools, correctional facilities, and nonprofit agencies. Class content is customized to meet the unique needs of the learners being served.

Programs â€“ Literacy for Life

Through data-based theory development, Literacy for Life examines the process through which life change happens, based on in-depth profiles of five participants in an adult literacy education program. The authors explore why some adults seem to experience change more positively and profoundly than others.
