From correspondence a version appears to have been distributed in 1513, using a Latin title, De Principatibus (Of Principalities). Colonel J.J. Graham's translation of the original work is adequate. However, Graham's edition only contains the first four books of the work. If you are looking for the complete works I recommend Carl von Clausewitz, On War, eds. and trans. Michael Howard and Peter Paret (Princeton, NJ: Princeton University Press, 1984), particularly if you are using this book for your scholarly or research work.

Shareholders should be realistically allowed to directly select corporate director candidates via the SEC Shareholder Proposal procedure. The days of corporate paternalism should be ended. Corporate governance problems will only be cured when Shareholders can easily remove incompetent/corrupt Directors, i.e., vote them out of office.
