Why the Magic seeds Of entrepreneurship Are so important These experiences are as natural as breathing. That's why free markets work, despite deeply flawed and irrational adults. Unfortunately, our modern assembly-line schools somehow manage to strip our children of much of their natural curiosity and joy for learning.

Magic Seeds (2005) About book: I chose this book because of the title, not realizing that it is a sequel to HALF A LIFE which I did not read. To be fair, I can't give this a just assessment. Suffice it to say, I couldn't get all the way through it. The idea of magic seeds is based on the magic of being able to produce a raceless society through miscegenation. From Publishers Weekly Starred Review.
