commitment to ensure that cities work for all. This report contributes to an unprecedented global political commitment to make cities more sustainable, inclusive and resilient through the implementation of the New Urban Agenda of Habitat III. Through Making Cities Work for All, the

### **Data and Actions for Inclusive Growth - OECD.org**

1) Cities in the developing world can be both productive and liveable places. The fundamental advantage of cities is that of scale – the concentration of people enables economic and social interactions to occur more frequently and effectively.

### **Growth brief: Making cities work for development - IGC**

negative impacts of construction sites in cities. Solutions could make use of existing knowledge, using it in new and innovative ways, making it possible for municipalities to make knowledge based and sustainable procurement choices for liveable cities.

### **Joint Innovation Action- Making Cities Work**

and solvers. Often, even forerunning innovative cities often test innovations in isolation. Sharing innovation experiences amongst European cities is the key to effectively tackle city innovation problems. This is Making Cities Work The Making Cities Work call invites municipalities, businesses, researchers, civil society and other stakeholders to
