A dietitian (or dietician) is an expert in dietetics; that is, human nutrition and the regulation of diet. A dietitian alters their patient's nutrition based upon their medical condition and individual needs. Dietitians are regulated healthcare professionals licensed to assess, diagnose, and treat nutritional problems.

Abstract. The notion of paying college football players has been an ongoing debate since the early 1900s. With current television revenue resulting from NCAA football bowl games and March Madness in basketball, there is now a clamoring for compensating both football and basketball players beyond that of an athletic scholarship.
