The use of terms and images referring to Native Americans/First Nations as the name or mascot for a sports team is a topic of public controversy in the United States and Canada. Since the 1960s, as part of the indigenous civil rights movements, there have been a number of protests and other actions by Native Americans and their supporters. The protests target the prominent use of such names and ...

The Native American name controversy is an ongoing discussion about the changing terminology used by indigenous peoples of the Americas to describe themselves, as well as how they prefer to be referred to by others. Preferred terms vary primarily by region and age. As indigenous people and communities are diverse, there is no consensus on naming, aside from the fact that most people prefer to ...

Dogs have been present in North America for at least 9000 years. To better understand how present-day breeds and populations reflect their introduction to the New World, Leathlobhair et al. sequenced the mitochondrial and nuclear genomes of ancient dogs (see the Perspective by Goodman and Karlsson). The earliest New World dogs were not domesticated from North American wolves but likely ...
